In light of the announcement made yesterday by Illinois Governor J.B Pritzker recommending that all public gatherings and community events that are expected to attract 250 people or more be cancelled or postponed, the QCCA'S FLOWER AND GARDEN SHOW, scheduled for March 27 – 29, has been cancelled. In addition, the Preview Gala scheduled for March 26 has been cancelled. The QCCA Expo Center maintains its dedication to keep the health and safety of the attendees as the primary goal. Patrons that have already purchased tickets can contact the QCCA Expo Center for a full refund.

The Quad City Conservation Alliance was founded in 1984 as a not for profit conservation alliance by 5 local conservation clubs. The QCCA owns and operates the QCCA Expo Center. Monies raised through the Expo Center are directed to conservation activities in a 90 mile radius of the Quad Cities. The concept of the Quad City Conservation Alliance is to provide a mechanism for achieving the aims of protecting, preserving, and enhancing the natural resources and the quality of life in the Quad City area through joint action. Over \$1, 200,000 has been invested in the Quad Cities for conservation activities since 1984 through the efforts of the QCCA.
